## PRESIDENTS MESSAGE

It's hard to believe that it is already August. The summer has been passing us by with lots of sunny and warm weather, but has also prompted many of us to become creative in finding ways to keep our dogs cool and comfortable this summer. The more mild temperatures are closer than we think, and of course we can't forget the changing color of the leaves too.

Speaking of more mild temperatures and the changing colors of trees, don't forget that we have committed to working at the hunt test over Labor Day weekend. If you have not yet volunteered to help out, be sure to contact Kim Bridgewater-Bryson to sign-up. We will need all the help we can get. If you have never seen a hunt test, it's a good opportunity to come out and learn about it. No experience is necessary to help out! Speaking from experience, it's just absolutely breathtaking to see a fine working retriever out in the field doing what it loves best . . . retrieving and swimming.

Thank you to all of our members who have volunteered their time to organize and participate at the LCSA youth day. It was a great opportunity for us to share information with kids and the general public, as well as building camaraderie amongst club members. Thank you again to EVERYONE who pitched in for this worth while event.

The fall specialty is approaching fast. If you would like to make a trophy donation, please contact Nancy Chargo. If you are able to volunteer your services for set-up and tear-down etc., please contact Gary Cooper. If you are able to come out and cheer your fellow club members on while they try their best for the coveted Winners, Placement, Sweeps and Breed wins, please come out and support your fellow members. A little bit of cheering goes a long way!

Our next meeting will be on Friday, August 11th at the LCSA in Brighton Township. Complete details of the meeting location can be found on the club website. Our very own fellow club member, Stacy Quake, will give a presentation on "Parasites and Other Creepy Critters". The meeting will begin promptly at 7:30pm for the General Membership meeting. The Board Meeting will commence at 6:30pm. We look forward to seeing you on Friday.
